A MESSAGE FROM OUR COMMITTEE

Welcome to our very first newsletter!

Our team mission is Rescue, Nurture, Rehome, Educate. And we want to take you along this journey with us!

We are approaching our one year anniversary in March and are excited to announce shortly how we will be celebrating our achievements.

Ten months ago, a team of five individuals, experienced in animal welfare, created BARRC after the realisation of a huge need in our region for groups to responsibly rehome animals.

We thank you for your support by adopting, donating and volunteering with us. As a solely volunteer run rescue we appreciate your ongoing support by sharing our name, our stories, and our available animals.

Our entire volunteer team have worked extremely hard and we cannot convey how extraordinary each and every one of them are and thank them sincerely for all they do.

2020 looks set to be an amazing year with many more success stories and we look forward to sharing them with you.

2019 QUIZ NIGHT

On October 19, the Bunbury Bowling Club played host to a medley of mutts, cute critters and amazing animals, thanks to Bunbury Animal Rescue and Rehome Care's first Quiz Night.

Raising money to support the medical expenses of dogs in care at BARRC, the sold-out event saw hundreds of people travel in from as far away as Perth and Port Kennedy, to test out their trivia skills.

The night's festivities kicked off at 7.30pm and included a raffle draw, silent auction and the main nine-round quiz, with a special award presented for the best dressed costume.

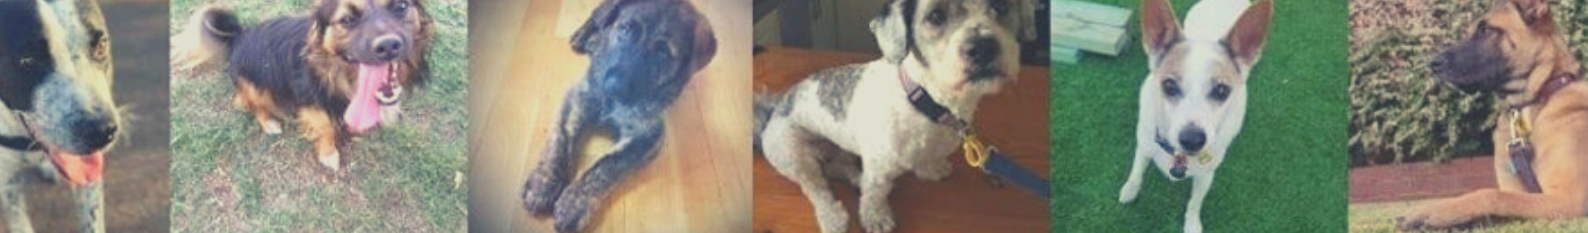

HIGH TEA AT PEEL MANOR

Volunteer members and supporters of the great establishment of BARRC were greeted with a rather jolly old time on October 27, as they gathered at the grand Peel Manor for an exquisite High Tea of scones, fruit tartlets and cucumber sandwiches.

Exciting auctions and prizes abounded, with **more than \$1,500 raised** to support our dear canine friends.

The day also marked the most special of birthdays for Pixie Bell – a former rescue pup, who turned twenty!

CAUSE FOR PAWS

On the 17th of November more than 130 members of Bikers on Hogs for Dogs revved up their engines in a bid to support BARRC and fellow West Australian rescue group, HAART.

The high-octane event kicked off shortly after 10am in Midvale, with dog-themed cupcakes and coffee, before riders roared along to Ocean View Tavern in Neerabup.

Volunteers and supporters rocked away to the sounds of Inferno band, with raffles, an auction and a bouncy castle also keeping everyone entertained.

The annual event marked the fourth ride the organisation has undertaken since their inception in 2015, with their biggest attendance recorded to date.

Bikers on Hogs for Dogs hand-pick rescue organisations to support through this event, in a bid to promote canine welfare, with the team at BARRC both humbled and grateful to be beneficiaries of the 2019 Cause For Paws ride.

SIRIUS

Beautiful Sirius' happy new life is the wonderful
outcome of fostering to adopt.

Having been left unclaimed from a South West pound,
he had a pretty sad start to his journey.

But boy is this lad smiling now after finding his fur-
ever home with his foster family, who put it best when
they said they "simply fell in love".

It's all in the puppy dog eyes, right?
